- Provides individual and group counselling to students
- Provide consultation as well as planning and conducting training for staff and parents on social, emotional and behavioural issues.

Student Welfare Officer (SWO)

- Provides social support to students who may have challenges attending school regularly
- Works with families and other community partners to address barriers to learning and strengthen the safety net

ECG Counsellor

- Education and Career Guidance (ECG) Counsellor helps students to explore their strengths, interests and aspirations
- Guides students in making informed plans and decisions for education and career

SEN Officers

- Provides support to students with special educational needs (SEN)
- Support students with intervention support

Special Educational Needs (SEN)

- Parents are strongly encouraged to **share information** on your child's/ward's Special Educational Needs (SEN) so that the school can **better understand the support needed**.
- **The support provided in a secondary school will vary from the support received in a primary school.**
- **We aim to work with the students to achieve independence in an inclusive environment.**

Access Arrangements for School-Based Assessment

- **Access Arrangements (AA) are special provisions made to minimise barriers faced by students with diagnosed conditions (e.g. SEN – special educational needs) under exam settings.**
- If your child/ward has been granted AA at primary school level/PSLE, you will still need to **re-apply for AA at secondary school.**
- Parents/Guardians who wish to apply for AA for their child/ward for school-based examinations will need to **complete AA Form 1** and return this by **22 January 2024 (Monday).**
- If you have already received a copy of AA Form 1, no further action is required.

e-Student Handbook

- e-Student Handbook is a **one-stop resource** that provides information to Newtowners hosted on Google Sites.
- Information includes **curriculum matters** like assessment guidelines, **rules and expectations** in class as well as **programmes for student development**.
- Students will be able to access their e-Student Handbook by **logging in to their student ICON email account**.
- Parents/Guardians will be able to access the e-Student Handbook via their children's accounts

PARENT SUPPORT GROUP (PSG)

The Parent Support Group supports the vision and mission of the school by building a win-win sustainable partnership with the school and PSG.

We work together for our children's success through a strong and supportive network.

Join the PSG! 😊

- The Parent Support Group offers a platform for parents to connect, share experiences, and build a strong community. Parents can stay actively involved in your child's education and school life.
- Joining the Parent Support Group is completely free and open to all parents of students in the school. Parents can volunteer and contribute when they are able to do so.
